CAP client needs your help: a young single mum, who has struggled with debt for many years, desperately needs a reliable car to get to her newly acquired job. Do you know of anyone who has a used car either for sale or who can even give it to our client? Having a car will make the difference between becoming bankrupt and being able to pay back her debts and change her life.

Please pray for:

Mission Prayers

As they prepare for a new school year, please pray for **Chengelo School** in Zambia and Turning Point in Kabira, Nairobi. Pray that they will enrol pupils who can fully benefit from the education they offer, and recruit staff who will bless the students in each place.

Malawi: Please pray for severe food shortages in Malawi. Pray for Bryony Pannell's friend who is distributing basic foodstuffs, laundry soap and hand soap to 15 elderly vulnerable ladies. She is a ward sister and will share the gospel on each visit, starting this weekend.

Anchor Project: Supporting a refugee family who had a traumatic detention at the home office. Pray for applications and successful placement of families, for the staff team resting and catching up on other things and for a date to plan a visit to Bradford in the autumn and a team to share the vision.

The church office won't be fully staffed in August, so please bear with us! Emails to office@htcd.church and phone messages will be checked regularly, but please do not expect an immediate response.
