

Small Group Questions: Sunday 20 July 2025

Sermon Series Living It: The Book of James

Read James 5 and share with each other what you are feeling about this chapter

- Why is wealth dangerous? Is James saying that rich people can't be Christians?
- Who are the poor whom we might be defrauding?
- Where do we need to be patient in our lives as Christians?
- What is our experience of powerful prayer?

Do remember to leave time for prayer!

Thanks,

William
